***The time is now,

Dedication: Mr. Lloyd Wilson

Teacher – 1. n. one who teaches, 2. n. educator, 3. n. mentor.

The above definition is indicative of this year's honoree. Yet, it is grossly inadequate when attempting to honor the lifelong achievements and contributions made by the person to whom the 1999 Yearbook Staff has chosen to dedicate this year's yearbook, Mr. Lloyd Wilson.

Mr. Wilson grew up in a small town in north Mississippi, known as Itta Bena. He was involved in many clubs in high school including BETA and Student Council. Also, he was a drummer in the marching band and president of his homeroom class. Mr. Wilson, needless to say, graduated as valedictorian of his senior class. As he recently told his AP English class, he did not know at that time that he would ever want to be a teacher.

After graduating from high school Mr. Wilson attended Millsaps University where he was involved in various activities, including Alpha Psi Omega, a national honorary dramatics fraternity. He greatly enjoyed working in the theater and starred in several productions.

Mr. Wilson eventually relocated to Delta State University where he received his bachelor's and master's degrees in English and French.

Mr. Wilson's involvement is not just confined to high school and college. He was also the pianist at First United Methodist Church in Itta Bena for twenty years.

One fact that many people do not know is that his first teaching job was at Hancock High School. He taught many of our present staff members including Mr. Mike Ladner, Coach Dennis Peterson, Mr. Gary Ladner, Mr. Eddie Ladner, Ms. Nancy Smith, and Mr. Tim Shaw.

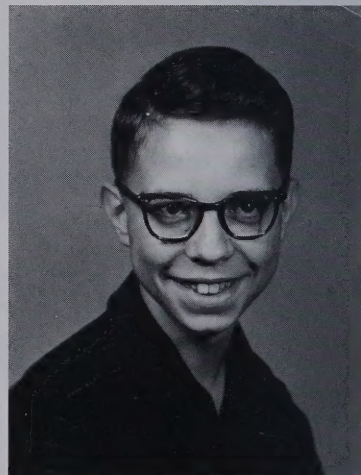

Mr. Wilson has brought a sense of refinement and wisdom to Hancock High School. His wealth of knowledge has been passed on to his students and beyond with thoughtfulness and pride. The tales of travels abroad, etiquette, controversial debates, and mind-boggling Quizzles are just a few of the reasons that make Mr. Wilson the captivating person he is.

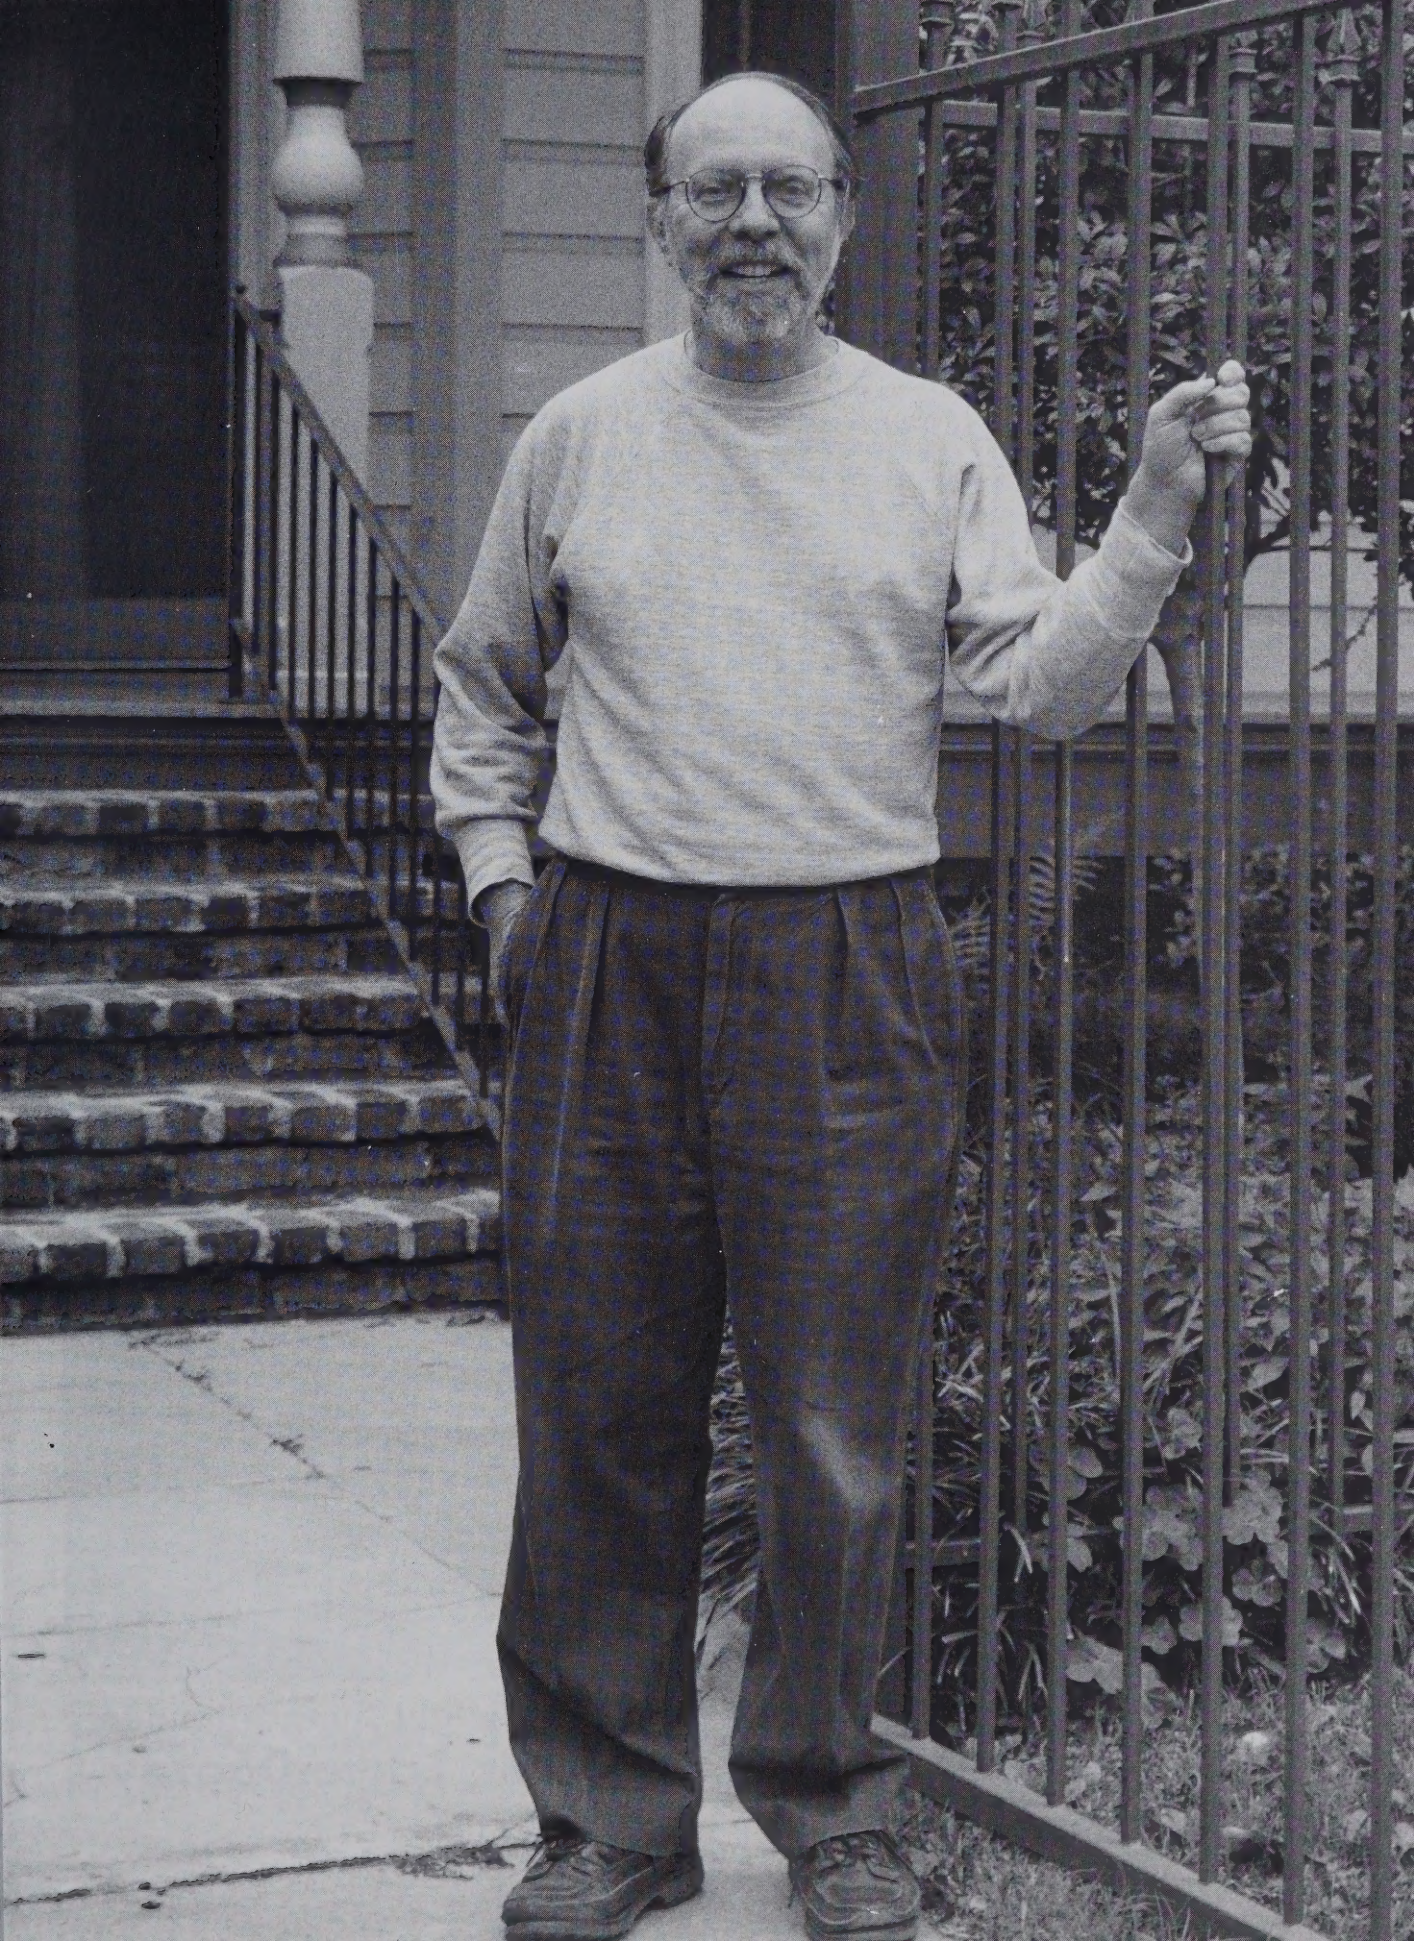

Many students in the Class of '99 have been fortunate to have been affected, in one way or another, by Mr. Wilson. His presence has prepared the last class of this millennium to move forward with pride, assurance, and dignity. Without a doubt, Mr. Wilson will be remembered for a long time to come because of the many reasons mentioned here. Yet, if these are not enough, there is always the first taste of ESCARGOT!

From the Class of '99 -

THANKS FOR THE MEMORIES, Mr. Wilson!

1999 Hawk Yearbook Staff

Creating a record of a year in a person's life that will be a

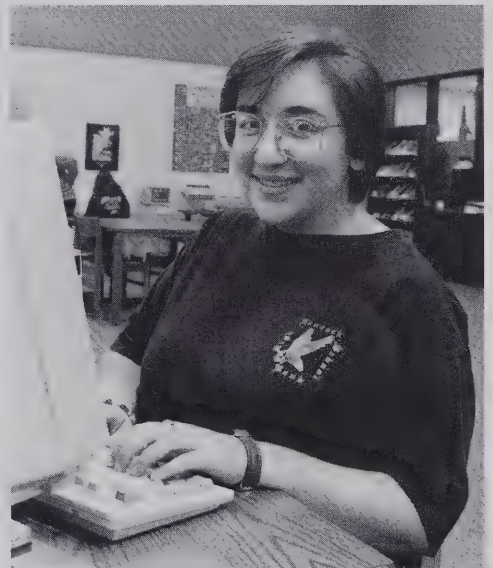

reference for the rest of his life is a difficult task. But trying to create one record for one year out of almost two thousand lives is beyond anyone's capability. What we have tried to do is assemble images and memories created at Hancock High School, during the 1998-99 school year, into one book for everyone to enjoy.

Production of the 1999 Hawk has taken lots of work and responsibility, ranging from getting everything organized and into the computer to meeting deadlines. By expanding on the ideas from last year and including more creative writing, poems, and ideas in this yearbook, the students were recorded in more than just pictures. To add all of these new ideas it has taken lots of fundraising and hard work. By putting on the First Annual Yearbook Talent Show, making commercials, and decorating the school for Christmas we have had a really great time.

It is my hope that when each student looks through these pages in years to come, fond memories of the experiences at Hancock High School will be recalled.

I would like to thank the administration and staff for all their time, patience, and help to make this a successful yearbook. I would also like to give special recognition to Mr. Gholston for putting up with us and allowing the yearbook staff to do what we needed to do. Of course the biggest thank you goes to Mr. Shaw for all of his time, hard work, love, and ability to make life less stressful.

As the turn of the century nears, the one thing that stands out the most is CHANGE. The changes that lie before us will touch every single one of us, each in a different and never-before felt way. Our high school years now lie behind us and with them are many memories of friends, classes, homecomings and proms. From now on, we may always look back and recall sweetly fond times and experiences, as well as events learned, that can never be replaced nor forgotten – *aren't we glad we came!*

Each one of us, through separate and quite unique ways, has left a certain mark in our times shared together. We have each displayed different opinions, styles, choices and personalities. Yet we all have come together as one in celebration of this end, as well as our new beginnings. We also share the anxious worries concerning our individual futures, our own choices, and our fresh, new starts in life. We each quietly question destiny and ceaselessly wonder what our futures hold. However, the most important and wonderful thing we all hold in common is the astonishing journey we have had together.

Congratulations Class of 1999 – Always remember that *nothing compares to the strength that lies within us* – and may that strength continue to successfully direct us down the different paths that we all choose in life.

BEST OF LUCK TO YOU, CLASS OF 1999!

"THE TIMES THEY ARE A CHANGING..."

Each new school year must, in a way, be different from the previous one. Otherwise, it would not be called a "new" school year. By far, 1998-1999 was no exception. From people to computers, the school year was full of change.

With this came unfamiliar faces and unprecedented experiences. It brought a larger student population, nearly 1,700 pupils, and an expanded faculty to match it. There were more extracurricular activities – an astronomy club and a National French Honor Society – and improved athletic performances, demonstrating the result of dedication and commitment. Also, Hancock High School served as a NetSchools participant, meaning that each student received a laptop computer for use in the classroom as well as at home. Thus, 1998-1999 saw many distinctions. Yet, it shared a characteristic common to any passage of time: those who experienced it grew.

In essence, time is life. Like each school year, the stages of life bring with the change. A person cannot endure either without ever learning something about himself or herself. Indeed, school is more than the opportunity to obtain an education, a vital tool in today's world.

In addition, it is the chance to be a part of a journey, one that never again leaves those who pursue it in the same way. It is a math class first thing in the morning and an unforgettable person; it is a foundation for success and a collective of memories. Whatever 1998-99 was for you, one thing is certain... it has become history. However, its end has initiated a beginning. It has brought forth the room for change.

STUFF

Stuff is made,
stuff is broken.
Thoughts are played,
minds awoken.
People enter,
people leave.
Yoga centers.
Christians believe.
Do you know
how to live?
What's the meaning?
Is it really better
to give?
We push,
we pull.
Is the glass half empty
or half full?
Do we know,
do we care?
We wonder how,
we ponder where.
On we march,
to and fro.
Who remembers us,
who lets us go?
Power drives,
crusaders strive.
We all die sometime,
but is anyone
ever really alive?
We base our lives
around stuff
that the mind it deprives.
Up and down,
side to side.
The stuff that makes our lives
never really dies.

- Kenny McGehee

SADD/Red Cross Blood Drive

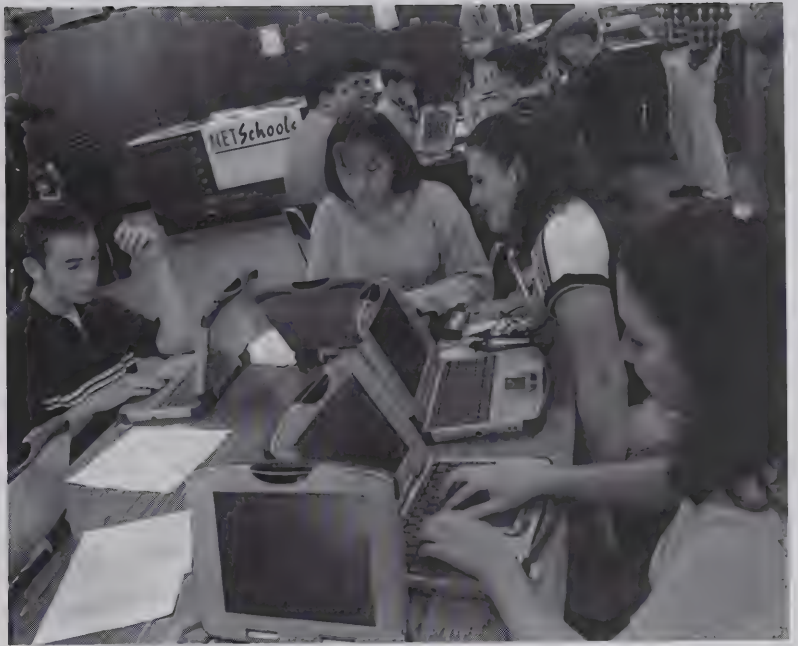

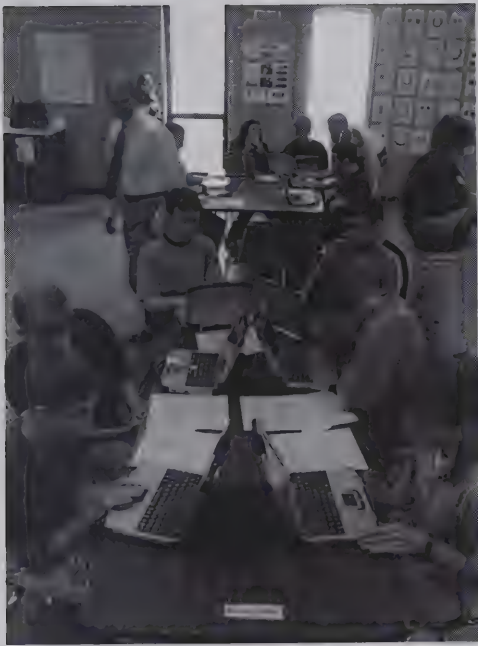

On November 16, **SADD** sponsored the bi-annual **Red Cross Blood Drive** in the commons here at HHS. This year 103 student/staff volunteers signed up to give blood. Ninety-four people were accepted and actually donated. All who donated were given commemorative t-shirts, refreshments, and stickers to go with their sore arms. HHS nursing students assisted the Red Cross in comforting the donors as their blood was being taken. This blood drive is repeated every spring.

HHS receives StudyPro laptops

On 19 October, Hancock High School student body president Amy Cuevas received the first StudyPro laptop computer assigned to a student. Amy, along with other members of the senior class and the TechnoHawks, were among the first to receive the 1,100 laptops purchased by the school. Superintendent Terry Randolph issued the laptops in ceremonies held at the high school. This program is the largest in the nation and gives HHS the distinction of being the largest wireless LAN currently in use in the world. Computers were distributed to all high school students and over 700 parents also took part in training programs to help them prepare for the student's personal use of their own computer.

Fifteen HHIS students were selected as **TechnoHawks** based on their computer knowledge, selection application, attendance record, school grades, and other factors. They assisted in training and other duties associated with the StudyPro laptop computers. The Techno Hawks are Blake Smith, J.D. Anaya, Billy Moody, Chris White, Stephen Adamec, Marlana Evans, Trevor Uden, Justina Merwin, Joey Broome, Laura Silas, Mandy Hall, Daniel Hamburg, Steven Norris, and John Robbins. Hardwood Club Gets Teed-Off

The **First Annual Hancock Hardwood Golf Tournament** was held October 18, at **The Oaks** golf club just north of Pass Christian. This event was organized as a fund raiser for the Hancock basketball program and was a GREAT success. For countless weeks, many parents worked diligently alongside the Hancock Basketball Coaching Staff and players, and The Oaks staff, to help put this event together.

Many local businesses showed their support of Hancock Basketball through their generous donations. A total of ninety-eight golfers participated in this fund raiser. They also enjoyed lunch, dinner, and relaxing around the clubhouse with the basketball players. The winning golf team members were: Richard Mathis, Charlie Grantham, Ronnie Stogner, and Jack Kodin. The use of the course, carts, and staff was made possible by Mr. Joel Gann, project director of The Oaks golf course.

Wow, What A Really Big Show!

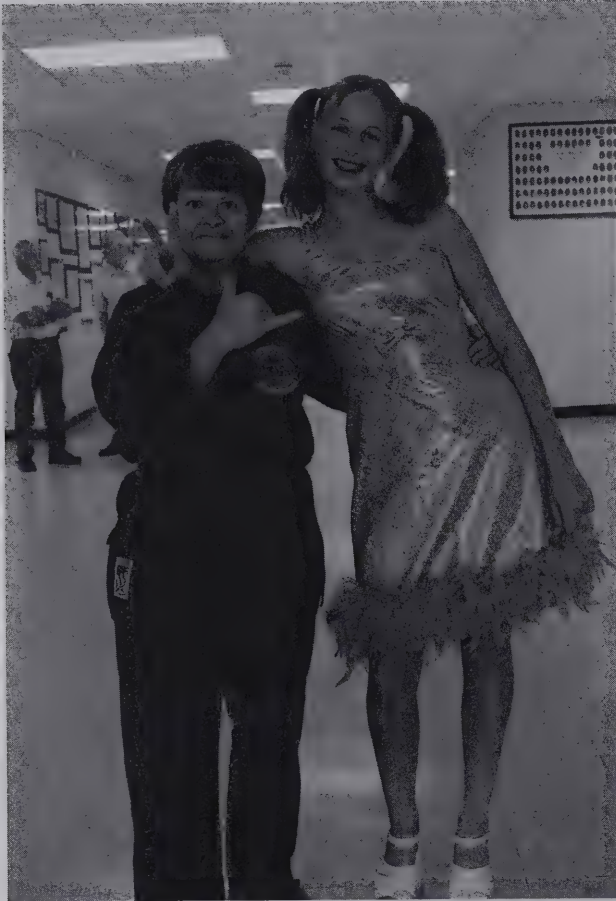

A very memorable **First Annual Fall Talent Fest**, sponsored and produced by the **'99 Hawk Yearbook Staff**, was held on Thursday, 05 November. There were two performances, one at 10:00 A.M. for the high school, and another at 2:00 P.M. for the junior high. Throngs of high school and junior high students crowded the gymnasium floor for each show. Homeboys **Bradley Willis** and **Phillip LeBlanc** served as masters of ceremony dishing out their own humor between acts as **Brandon Hoda** served as the sound engineer. The show opened with music performed by the band **Number9** featuring members **Chris Burnham**, **Joby Barnum**, **Keith Anselmo**, and **Jason Carrier** doing songs by the popular rock bands Creed and Jerry Cantrell. Next was a vocal performance by **Sara Caliva**, singing Mariah Carey's "My All". **Melanie McManus** and **Amy Cuevas** entertained the crowd next with a tap-dancing duo. **Leila Garoum** followed with a song that left many with goosebumps, "Another Suitcase, Another Home". To shake up the crowds with humor, **Kenny McGehee** enticed the students with "Strange Things I've Noticed That Are Happening At Hancock." **Kasie Auxilian** was next up, singing acappella, a song written for her grandmother, "Face to Face". To change the mood, **Tina Finch** next performed solo, Janis Joplin's "Me and Bobby Magee." A trio of talents were shown off next by **Amy Cuevas'** ballet dance, **Leila Gargoum** singing "Foolish Games" by Jewel, with **Dustin Liles** accompanying on the piano. Next came **Jennifer Morales** singing "Twice" by Celine Dion. Last, but definitely not least, was the band **ColdShot** featuring **Lance Triplett**, **Ashton Burge**, **Byron Farver**, **Stacy Weaver**, and **Mr. Tim Shaw** performing the well known songs, "Lightning Crashes," by Live and "Fly Away" by Lenny Kravitz. This rockin' band ended our First Annual 1998 Talent Show. All of this would not have been such a great success without those of you who contributed. Thanks from the '99 Yearbook Staff.

Month of the Young Adolescence

During October, Hancock Jr. High students celebrated the young adolescence. Throughout the month there were many different activities in which students, teachers and community members participated. The purpose of these activities was to teach students about themselves and their opportunities.

Teachers incorporated videos, projects and other learning materials into their lessons. Special events were organized to give the community a chance to share in the celebration. A parent luncheon was held to allow parents to participate. Also, the "Share Fair" was held on October 30 with about forty guest speakers attending. They spoke to the students about careers, AIDS, drug abuse, alcohol abuse and many other topics. Mr. Randolph participated by speaking to the students about what it is like being our superintendent. Each of the students heard five guest speakers relating to the subject matter of their classes.

Mrs. Cuevas commented that the luncheon and student activities turned out very well and she hopes to continue this in years to come. Because this project was such a success, October has now been officially proclaimed "The Month of the Young Adolescence".

BECAUSE WE DON'T KNOW WHEN WE will die, WE GET TO THINK OF LIFE AS AN INEXHAUSTIBLE WELL. YET EVERYTHING HAPPENS A CERTAIN NUMBER OF TIMES, AND A VERY SMALL NUMBER, REALLY. HOW MANY MORE TIMES WILL YOU REMEMBER A CERTAIN AFTERNOON OF YOUR CHILDHOOD... SOME AFTERNOON THAT'S SO DEEPLY A PART OF YOUR BEING THAT YOU CAN'T EVEN CONCEIVE OF YOUR LIFE WITHOUT IT? PERHAPS FOUR OR FIVE TIMES MORE, PERHAPS NOT EVEN THAT. HOW MANY TIMES WILL YOU WATCH THE FULL MOON RISE? PERHAPS TWENTY, AND YET IT ALL SEEMS LIMITLESS.

EACH NEW day WE WALK THROUGH

Congratulations Gabrielle

For seventeen years, you have been one of the biggest joys in our lives. We have watched you grow from daddy's little girl to a pretty independent person. We have and always will want the best for you, so set your goals high and don't give up until you achieve them. You have the ability to do anything that you want to do. Just remember that we will always love you and back you. We are very proud of you!

*We love you,

We've watched you grow, we've
watched you change, we've watched
you become the person, we hoped you
would be. Always remember that we
are very proud of you no matter what
road you take.*

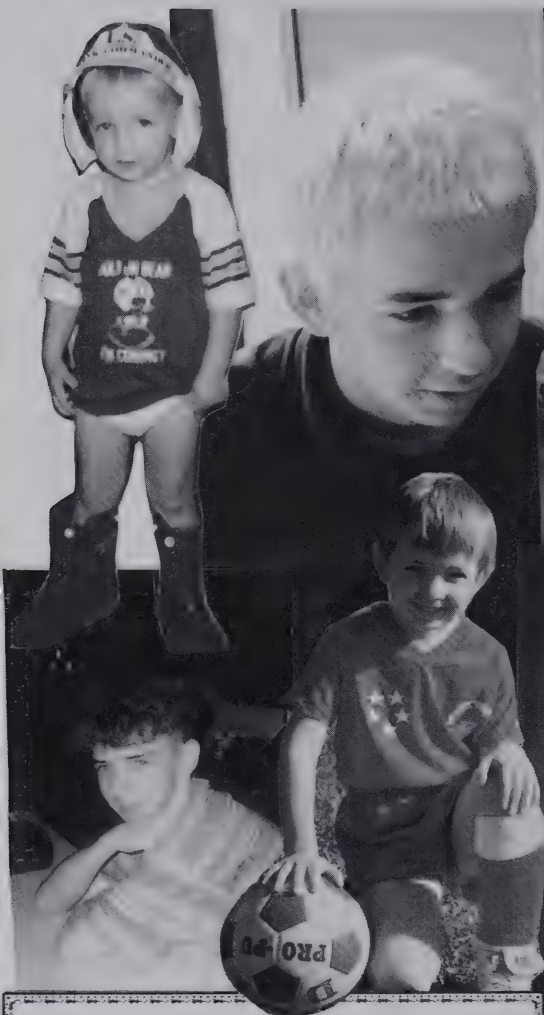

*You have a great head on your
shoulders, but most of all you have a
heart that is full of love, compassion,
and generosity. May GOD give you
the strength and guidance you need to
fulfill your dreams.*

Congratulations Brandy Michele

We're proud of you.

We love you.

Prian, Annette, Jessica, Brandon

THIS DAY WAS A LONG TIME  
COMING. MAYBE HARDER  
THAN IT SHOULD HAVE  
BEEN. NO MATTER WHAT  
YOU THINK, YOU'VE DONE  
GOOD GIRL. YOU'VE DONE  
REAL GOOD!

I AM SO VERY PROUD  
OF THE PERSON YOU  
ARE TODAY. REMEMBER  
I'M HERE FOR YOU  
ALWAYS. LOVE, PEACE,  
AND JOY AS YOU  
BEGIN THE "BEST" OF  
YOUR LIFE.

# *retrospect*

*There are places I remember  
All my life  
Though some have changed.  
Some for better not forever  
Some have gone  
And some remain.  
All these places have their moments  
With lovers and friends  
I still can recall.  
Some are dead and some are living,  
In my life I've loved them all.*

We print these words, written by John Lennon, for those who would look back and remember fondly.
